

GOVERNMENT DEGREE COLLEGE, TEKKALI

IQAC

ACTION TAKEN REPORT ON CURRICULUM 2024-25

Government Degree College, Tekkali places significant emphasis on understanding and meeting students' personal aspirations and parents' expectations regarding the quality of education and their children's overall development.

Feedback from Students, Teachers, Alumni and Parents plays a crucial role in achieving this objective, allowing the institute and faculty to evaluate the curriculum's effectiveness and administration, ensuring a holistic learning experience.

Feedback was collected online from alumni.

Action Taken

Construction of Compound wall was represented to higher officials.

Requirement of additional classrooms is also a dire need. It is also being represented to higher officials.

Faculty will be encouraged to publish more research papers through FDPs and workshops.

IQAC will conduct seminars at national and international level.
