

GOVERNMENT DEGREE COLLEGE, TEKKALI

IQAC

ACTION TAKEN REPORT ON FACULTY FEEDBACK 2024-25

Government Degree College, Tekkali places significant emphasis on understanding and meeting students' personal aspirations and parents' expectations regarding the quality of education and their children's overall development.

Feedback from Students on the performance of faculty plays a crucial role in achieving this objective, allowing the institute and faculty to improve their effectiveness in teaching, ensuring a holistic learning experience.

Feedback was collected online from students.

Action Taken

Faculty showed good performance in achieving the holistic learning of students. They have contributed well which is evident from feedback given by students.
