GOVERNMENT DEGREE COLLEGE TEKKALI

(Reaccredited with NAAC 'B' Grade)

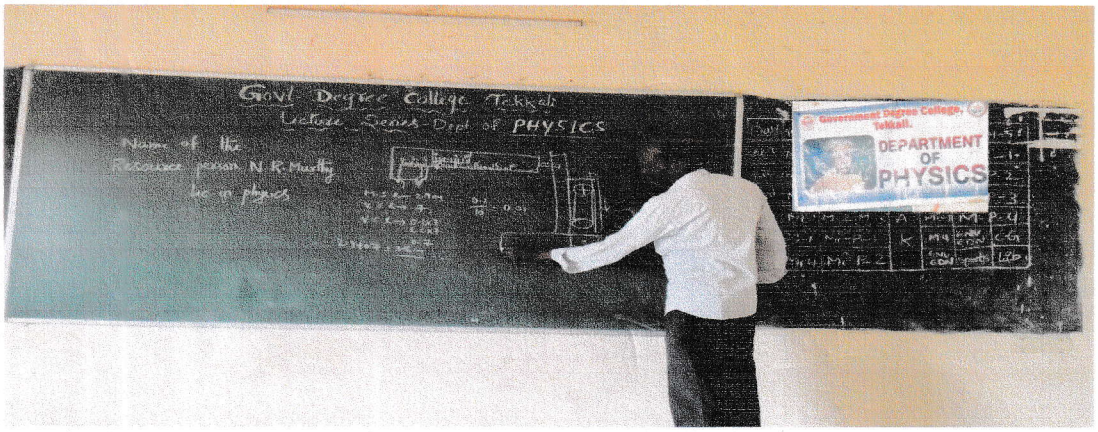

Organized by Department of Physics

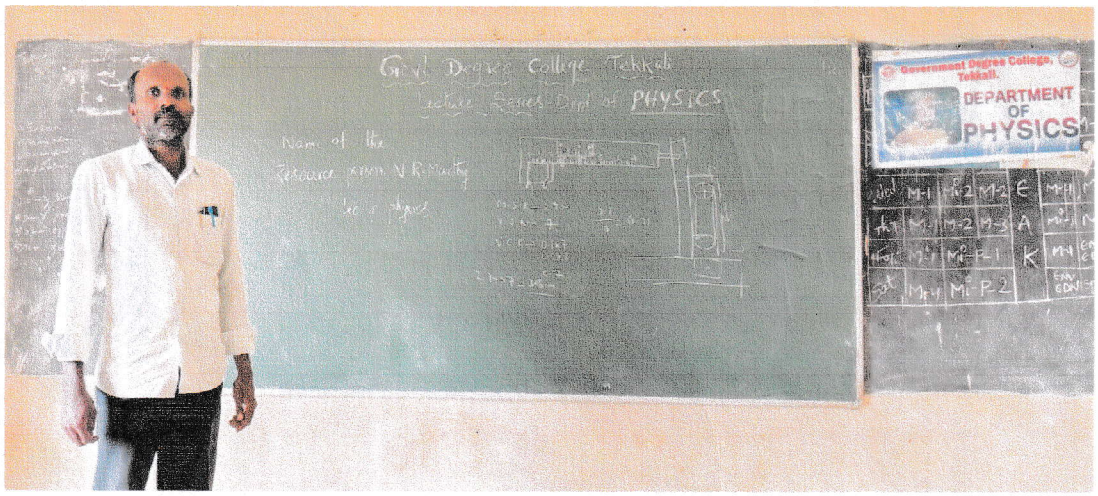

Topic :- Optical Instruments

Guest Lecture : N.RAMANA MURTHY

25/08/2026

Objective : The primary objectives of a physics guest lecture are to connect academic theories with real-world applications, introduce emerging research trends, and motivate students toward higher studies or industrial careers

Students Participated: 32

Delegates: 05

Outcome: Students were enlightened with advancements taking place in the field of Optical Instruments.

GOVERNMENT DEGREE COLLEGE TEKKALI

(Reaccredited with NAAC 'B' Grade)

Organized by Department of Physics

Topic :- Optical Instruments

Guest Lecture : N.RAMANA MURTHY
